

## Travel Grants

Applications for Pork CRC research travel grants are invited from CRC members and researchers of Participant organisations.

Proposals should address the Pork CRC [Strategic Plan](#) and will be assessed on their merits against the following criteria:

- appropriateness of the travel in relation to CRC objectives
- value of the expected outcome to Australia's Pork industry
- demonstrated achievements of the applicant in the context of his/her career to date
- level of contribution made from a participant organisation towards the travel

The potential for the travel to initiate or consolidate long-term collaborations and facilitate the development of the applicant's career will also be considered.

Travel proposals can seek funding up to \$5,000, and will be assessed and awarded by the CEO.

Proposals should be submitted using the Travel Proposal template: download the [travel grant application form](#).

Proposals must be emailed to the [Pork CRC](#). Researchers are encouraged to consult with their relevant Sub-program Leader with any questions regarding their travel proposals.
