

## Travel Grants

Applications for Pork CRC research travel grants are invited from Pork CRC members and researchers of Participant organisations.

Proposals should address Pork CRC Milestones and Objectives will be assessed on their merits against the following criteria:

- Relevance of the travel to Pork CRC objectives.
- Value of the expected outcome to Australia's Pork industry.
- Level of contribution made from a participant organisation towards the travel.

The potential for the travel to initiate, or consolidate, long-term collaborations and facilitate the development of the applicant's career will also be considered.

Travel proposals can seek funding up to \$3,000. Travel proposals will be assessed and awarded by the CEO.

Proposals should be submitted using the Travel Proposal form.

Proposals must be emailed to the [Pork CRC](#). Researchers are encouraged to consult their relevant Sub-program Leader with any questions regarding their travel proposals.
